Driving South (from Indiana):

While traveling I-65 South from Indiana, take the Second Street Bridge (also known as US 31/George Rogers Clark Memorial Bridge) to downtown Louisville. Go two blocks and turn left onto Market Street (this is a one way street). Drive one block and turn right onto First Street. Take an immediate right into the KPA parking area. ***(Dr. Bizer's Vision World also shares this parking area.)***

Driving East/West:

Traffic on I-64 and I-71 should merge onto I-65 South. From I-65 South, take the Jefferson Street exit. Go three blocks and turn right onto Second Street. Go two blocks and turn right onto Market Street (this is a one way street). Drive one block and turn right onto First Street. Take an immediate right into the KPA parking area. ***(Dr. Bizer's Vision World also shares this parking area.)***

Driving North:

If you are coming from the South on I-65, take the Brook Street Exit. Go one block and turn left on Muhammad Ali Blvd. Continue Muhammad Ali for two blocks and turn right onto Second Street. Go two blocks and turn right onto Market Street (this is a one way street). Drive one block and turn right onto First Street. Take an immediate right into the KPA parking area. ***(Dr. Bizer's Vision World also shares this parking area.)***
